	Extra	\$73.70	Discontinued for 2020		

\*Your copayments are lower when you fill prescriptions at the Preferred pharmacies for your plan. In addition to the Preferred pharmacies, there will be other "Standard" pharmacies where you will be able to obtain prescriptions, usually with a higher copayment. For example, Humana's Walmart plan offers lower copayments if you go to Walmart or Sam's Club, but you can still use CVS, RiteAid and Walgreens, in addition to several independent pharmacies.
